PLAY GROUP

WEDNESDAYS 10-12

All families and sibling are welcome to attend our Wednesday morning playgroups! Our monthly playgroup planning can be found with your educator and will also be sent out through Harmony. So far this year we have bird watched at the Cattana Wetlands, created Harmony mandalas on Clifton Beach, treasure hunted at Yorkeys Knob and celebrated FDC Week at the Botanic Gardens, not to mention our adventures at our regular venue at Yorkeys Knob Hall. Next up is Bike Bonanza at Brinsmead, followed by a Fire Engine visit at the hall!

GET INVOLVED!

We deeply value your input as families and strive to create a service that supports you. Its why we are here! To best understand your needs and to improve on the education and care we provide, it is invaluable to us to hear your voices. Family surveys have been emailed out and copies are with your educators if you have any feedback you could share with us as we update our Quality Improvement Plan.

FAREWELL RICKY AND WELCOME ELIZA!

This month we said farewell to Ricky as she moves into retirement after over 20 years of dedication to MCFDC! Over the last few months Ricky has been diligently training her replacement and Eliza will be officially taking over as Scheme Manager as of May. Please feel free to connect with her at mcfdc@bigpond.com.
